

# Scientific Programme

*Valid as of 1 March 2016*

10-12 March 2016  
Johannesburg, South Africa

[www.africapcr.com](http://www.africapcr.com)

# Thursday 10 / afternoon

	15:00	16:30	16:45	17:45	18:00	19:15
MAIN ARENA Auditorium	HYPERTENSION					
	Hypertension in Africa	Break	2 RDN cases	Break	Secondary hypertension	

**15:00-16:30** ■ Hypertension - Part I: Hypertension in Africa

MAIN ARENA  
Auditorium

**16:45-17:45** ■ Hypertension - Part II: Successful and unsuccessful cases of renal denervation

MAIN ARENA  
Auditorium

**18:00-19:15** ■ Hypertension - Part III: Secondary hypertension

MAIN ARENA  
Auditorium

**DETAILED PROGRAMME SESSIONS AVAILABLE ONLY IN THE PCR APP! DOWNLOAD IT NOW!**

■ Nurses and Allied Professionals ■ Submission-Based session ■ Tutorial ■ Sponsored session

**ESSENTIAL APP!**

Brought to delegates with the compliments of **Medtronic**  
Further. Together

# Friday 11 / morning

	08:00	09:00 09:15	10:45 11:00	12:00	13:00
<b>MAIN ARENA</b> Auditorium	Symposium sponsored by Volcano Therapeutics 		Learning radial	Break	What procedures must any cathlab in Africa offer?
<b>ROOM 2</b> Lecture 8	Will TOTAL / TASTE change my practice?		Break	Clinical cases on STEMI	
<b>ROOM 3</b> Lecture 7	How to critically analyse a published trial to improve my personalised practice?		Break	Clinical cases on coronary interventions	
<b>ROOM 4</b> Lecture 9	Clinical cases on complications		Break	Clinical cases on valvular interventions	

**DETAILED PROGRAMME SESSIONS AVAILABLE ONLY IN THE PCR APP! DOWNLOAD IT NOW!**

**08:00-09:00**  **Overcoming the challenge of diffuse disease and tandem lesions in the cathlab**  
 MAIN ARENA Auditorium  
*Sponsored by VOLCANO THERAPEUTICS*

**09:00-09:15** **Welcome and introductory ceremony**  
 MAIN ARENA Auditorium

**09:15-10:45** **Learning radial**  
 MAIN ARENA Auditorium

**09:15-10:45** **Will TOTAL / TASTE change my practice?**  
 ROOM 2 Lecture 8

**09:15-10:45**  **How to critically analyse a published trial to improve my personalised practice?**  
 ROOM 3 Lecture 7

**09:15-10:45** **Clinical cases on complications**  
 ROOM 4 Lecture 9  
*Session comprising selected AfricaPCR 2016 clinical case submissions*

**11:00-13:00** **What procedures must any cathlab in Africa offer?**  
 MAIN ARENA Auditorium

**11:00-12:00** **Clinical cases on STEMI**  
 ROOM 2 Lecture 8  
*Session comprising selected AfricaPCR 2016 clinical case submissions*

**11:00-13:00** **Clinical cases on coronary interventions**  
 ROOM 3 Lecture 7  
*Session comprising selected AfricaPCR 2016 clinical case submissions*

**11:00-13:00** **Clinical cases on valvular interventions**  
 ROOM 4 Lecture 9  
*Session comprising selected AfricaPCR 2016 clinical case submissions*

 Nurses and Allied Professionals  Submission-Based session  Tutorial  Sponsored session

# Friday 11 / afternoon

	14:00	15:00 15:15	16:15	16:45	17:15 17:30	18:15	19:00
<b>MAIN ARENA</b> Auditorium	Case in Point sponsored by OrbusNeich	Break	VALVULAR HEART DISEASE		Break	COMPLICATIONS	
			Learning transeptal	Learning PTMC		Dissection	Perforation
<b>ROOM 2</b> Lecture 8	Break	Sustain Health development in Africa through Responsible Education (SHARE)			Break	Women's woes	
<b>ROOM 3</b> Lecture 7	Break	Clinical cases on coronary interventions			Break	Clinical cases on complications	
<b>ROOM 4</b> Lecture 9	Break	Clinical cases on congenital / peripheral interventions			Break	Clinical cases on coronary anatomy	

**DETAILED PROGRAMME SESSIONS AVAILABLE ONLY IN THE PCR APP! DOWNLOAD IT NOW!**

**14:00-15:00** ■ **Your complex PCI: how can new technologies enhance procedural success?**  
 MAIN ARENA Auditorium  
 Sponsored by ORBUSNEICH

**15:15-16:15** ■ **Valvular heart disease - Part I: Learning transeptal**  
 MAIN ARENA Auditorium

**16:15-17:15** ■ **Valvular heart disease - Part II: Learning percutaneous transvenous mitral commissurotomy**  
 MAIN ARENA Auditorium

**15:15-16:45** ■ **Sustain Health development in Africa through Responsible Education**  
 ROOM 2 Lecture 8

**15:15-17:15** ■ **Clinical cases on coronary interventions**  
 ROOM 3 Lecture 7  
 Session comprising selected AfricaPCR 2016 clinical case submissions

**15:15-17:15** ■ **Clinical cases on congenital / peripheral interventions**  
 ROOM 4 Lecture 9  
 Session comprising selected AfricaPCR 2016 clinical case submissions

**17:30-18:15** ■ **Complications - Part I: Dissection**  
 MAIN ARENA Auditorium

**18:15-19:00** ■ **Complications - Part II: Perforation**  
 MAIN ARENA Auditorium

**17:30-19:00** ■ **Women's woes**  
 ROOM 2 Lecture 8  
 With the collaboration of Interventional Society of Cathlab Allied Professionals

**17:30-19:00** ■ **Clinical cases on complications**  
 ROOM 3 Lecture 7  
 Session comprising selected AfricaPCR 2016 clinical case submissions

**17:30-19:00** ■ **Clinical cases on coronary anatomy**  
 ROOM 4 Lecture 9  
 Session comprising selected AfricaPCR 2016 clinical case submissions

# Saturday 12 / morning

	08:00	09:00	10:00	10:15	12:15
<b>MAIN ARENA</b> Auditorium	<b>Case in Point</b> sponsored by AstraZeneca		<b>Learning pericardiocentesis</b>	Break	<b>MULTIVESSEL DISEASE</b>  <b>Stable CAD</b>
<b>ROOM 2</b> Lecture 8	<b>Clinical cases on valvular interventions</b>		Break	<b>Overcoming the radial learning curve in the cathlab</b>	
<b>ROOM 3</b> Lecture 7	<b>How to prepare and deliver an effective educational presentation by using PowerPoint?</b>		Break	<b>How to critically analyse a published trial to improve my personalised practice?</b>	
<b>ROOM 4</b> Lecture 9	<b>Clinical cases on STEMI</b>		Break	<b>Clinical cases on STEMI</b>	

**DETAILED PROGRAMME SESSIONS AVAILABLE ONLY IN THE PCR APP! DOWNLOAD IT NOW!**

**08:00-09:00** ■ **A clinical review of ACS - a new area of antiplatelet therapy**  
 MAIN ARENA Auditorium  
 Sponsored by ASTRAZENECA

**09:00-10:00** ■ **Learning pericardiocentesis**  
 MAIN ARENA Auditorium

**09:00-10:00** ■ **Clinical cases on valvular interventions**  
 ROOM 2 Lecture 8  
 Session comprising selected AfricaPCR 2016 clinical case submissions

**09:00-10:00** ■ **How to prepare and deliver an effective educational presentation by using PowerPoint?**  
 ROOM 3 Lecture 7

**09:00-10:00** ■ **Clinical cases on STEMI**  
 ROOM 4 Lecture 9  
 Session comprising selected AfricaPCR 2016 clinical case submissions

**10:15-12:15** ■ **Multivessel disease - Part I: Stable coronary artery disease**  
 MAIN ARENA Auditorium

**10:15-12:15** ■ **Overcoming the radial learning curve in the cathlab**  
 ROOM 2 Lecture 8  
 With the collaboration of Interventional Society of Cathlab Allied Professionals

**10:15-12:15** ■ **How to critically analyse a published trial to improve my personalised practice?**  
 ROOM 3 Lecture 7

**10:15-12:15** ■ **Clinical cases on STEMI**  
 ROOM 4 Lecture 9  
 Session comprising selected AfricaPCR 2016 clinical case submissions

# Saturday 12 / afternoon

	13:15	14:45	15:00
<b>MAIN ARENA</b> Auditorium	<b>MULTIVESSEL DISEASE</b>  <b>ACS/STEMI</b>		<b>Closing</b>
<b>ROOM 2</b> Lecture 8	<b>Will DAPT change my practice?</b>		

**13:15-14:45** ■ **Multivessel disease - Part II: ACS/STEMI**  
 MAIN ARENA Auditorium

**13:15-14:45** ■ **Will DAPT change my practice?**  
 ROOM 2 Lecture 8

**14:45-15:00** ■ **Closing ceremony**  
 MAIN ARENA Auditorium

■ Nurses and Allied Professionals ■ Submission-Based session ■ Tutorial ■ Sponsored session

11:30 12:00 12:40 13:20 14:00

**BOSTON SCIENTIFIC TRAINING**  
Institute for advancing science

Opening and welcome	Heartworks transoesophageal echocardiography	Master the complex - rotational atherectomy	Coronary interventions: complications (Perforation / Dissection)
---------------------	--	---	--

**11:30-12:00** ■ Opening and welcome - overview of programme and objectives for training

BOSTON SCIENTIFIC TRAINING

**DETAILED PROGRAMME SESSIONS AVAILABLE ONLY IN THE PCR APP! DOWNLOAD IT NOW!**

**12:00-12:40** ■ Heartworks transoesophageal echocardiography

BOSTON SCIENTIFIC TRAINING

**12:40-13:20** ■ Master the complex - rotational atherectomy

BOSTON SCIENTIFIC TRAINING

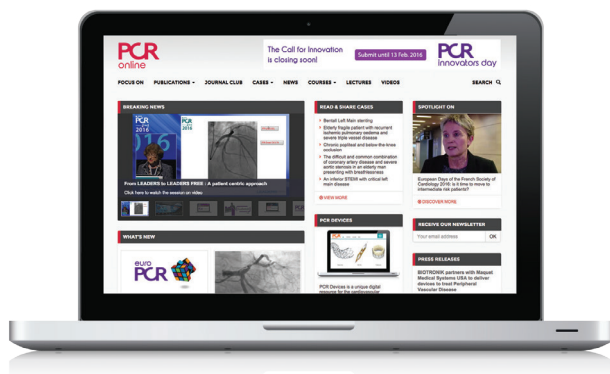

**13:20-14:00** ■ Coronary interventions: complications (Perforation / Dissection)

BOSTON SCIENTIFIC TRAINING
